About 9 Spokes

The 9 Spokes smart dashboard enables SMEs to connect their software to one dynamic interface - giving them a clear overview of their business. It allows management and advisors to access data and new metrics across key areas, from any device at any time. With these insights, it's easier to make the big decisions to either manage or grow a business.

Businesses can integrate their supported software into the dashboard as well as choose from a selection of recommended and accredited apps to suit their industry.

The smart dashboard from 9 Spokes is available as a Direct model to small businesses and as a white labelled platform that Channel Partners can offer to their SME customer base.
