## Bank of America Live

- Bank of America platform powered by 9 Spokes available to small business customers
- The platform will be rolled out in stages to all states across the US

**Auckland, NZ | 5 December** 9 Spokes (ASX: 9SP or “the Company”), a leading marketplace and insights company to small businesses, is pleased to advise that Bank of America (“BoA” or “the Bank”) is live with 9 Spokes’ next-generation platform. The platform will launch in stages.

### 9 Spokes’ next-generation platform

The 9 Spokes platform leverages the latest architectural approaches, enabling an accelerated and sustained roll-out of new apps and features. It responds to bank partners and their SB customers’ evolving needs by harnessing data from connected business apps and providing richer context on how their business is performing.

### About 9 Spokes

9 Spokes is a business tracking and insights tool that enables SMBs to harness the power of their data to improve performance. SMBs can connect their cloud software to the 9 Spokes platform and use the Tracker tool to get a comprehensive, near real-time picture of how they’re performing across the metrics that matter most – so they can make quick, sharp decisions that impact growth.

9 Spokes is available to SMBs directly through [9spokes.com](https://9spokes.com) and as a white-labelled platform for enterprise customers, including banks and other financial services providers. The Enterprise Edition allows banks, under their own brand, to deliver richer and more engaging experiences to their SMB customers. Through permissioned access to their SMB clients’ data, banks get the insights they need to offer products and services that are better tailored to their small business customers’ needs.
