About 9 Spokes

9 Spokes is a business tracking and insights tool that enables SMBs to harness the power of their data to improve performance. SMBs can connect their cloud software to the 9 Spokes platform and use the Tracker tool to get a comprehensive, near real-time picture of how they’re performing across the metrics that matter most – so they can make quick, sharp decisions that impact growth.

9 Spokes is available to SMBs directly through 9spokes.com and as a white-labelled platform for enterprise customers, including banks and other financial services providers. The Enterprise Edition allows banks, under their own brand, to deliver richer and more engaging experiences to their SMB customers. Through permissioned access to their SMB clients’ data, banks get the insights they need to offer products and services that are better tailored to their small business customers’ needs.
